

**REMARKS**

The applicants would like to thank Examiner Shevin for the teleconference with the undersigned attorney on May 13, 2010, to discuss the foregoing amendments to the claims. The amendments under 37 CFR § 1.312 presented herein are merely the correction of formal matters in the claims and do not alter the scope thereof.

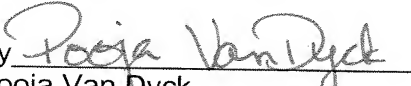

With this paper, the applicants propose to amend claims 2, 13, and 14 for clarity. Claim 2 depends from claim 1 and is amended to recite at least one pair of roller presses. Claims 13 and 14 depend from claim 11 and are amended to recite at least one pair of roller presses. Entry is respectfully requested in view of the following comments.

The proposed amendments have merely been made to conform the dependent claims with the examiner's amendments to claims 1 and 9. The amendment made herein does not require any additional search and/or examination as the subject matter encompassed by the amended claims is consistent with the subject matter previously allowed by the examiner. Further, the present amendment is being filed before the payment of the issue fee. Accordingly, the present amendment is proper under 37 CFR § 1.312.

Should the examiner wish to discuss the foregoing, or any matter of form or procedure, he is respectfully invited to contact the undersigned attorney at the indicated telephone number.

May 18, 2010

Respectfully submitted,

By
